TO: All Responders

RE: Request for Qualifications 2017-02

ADDENDUM NO. 1

This **ADDENDUM #1** forms part of Moore County's Request for Qualifications for Engineering Services – Camp Easter Road Water and Sewer Project. All requirements of the original specifications remain in effect in their respective order. **Receipt of this Addendum must be acknowledged by its inclusion with the Response and noted as an inclusion on the sealed envelope.**

The following changes and/or clarifications are hereby made to the original Request for Qualifications:

1. Question: Are the Non-Collusion Affidavit, E-Verify Affidavit, Iran Divestment Act Certification, Vendor Application and W-9 included in the 10 page limit?
Answer: No. Please include these documents with the Original copy only. These documents are not required with the five additional copies of the response.
2. Question: Can you let us know how many feet of water and sewer line you anticipate needing designed? Is there a map showing this work?
Answer: 1 Wastewater Lift Station, Approximately 14,500 LF of 6" Force Main with appurtenances; approximately 7,000 LF of 10" Water Main with appurtenances; approximately 500 LF of 8" Water Main with appurtenances. Map is attached.

No further questions will be accepted. Proposals are due to Terra Vuncannon at 206 South Ray Street Carthage NC 28327 by 4:00 pm Tuesday November 1, 2016.

END OF ADDENDUM NO. 1
